Budget Summary

Changes Included in the Recommended Base Budget:

The Domestic Violence budget reflects a \$200,000 increase in expenditures compared to the previous year's budget. The increase is due to some unspent revenue in FY 05-06 being budgeted in FY 06-07 along with new FY 06-07 revenue. Otherwise, the budget remains fairly consistent with the current year revenue and expenditures.

Highlights of Key Trends:

- The Domestic Violence revenue has been consistently increasing since 2004-05 when legislative changes were implemented that increased the amount of batterer's fees collected by the courts. In 2003-04, \$114,260 in batterer's fees were collected; in 2004-05, \$225,140 in batterer's fees were collected; and it is anticipated that for 2005-06 at least \$266,174 will be collected. However, the amount collected from marriage license fees, which

is the other source of domestic violence revenue, has remained constant over the last four years and has varied by less than \$7,000 during each year. This overall revenue trend increase has allowed for the allocation of additional dollars in 2004-05 and 2005-06 to be made to the four domestic violence emergency shelters. The increased revenue directly translates into strengthened services to the victims of domestic violence and their children.
